DATE: October 5, 2017
TO: Site Contractors & Design Firms
cc: Jerome Pierce – Town Inspector
FROM: Rick Van Emburgh
SUBJECT: Concrete Inspections & Certifications

Effective immediately, the Town of Easton will provide a Town Inspector to perform all Town required Concrete Testing and Inspections for concrete work done in Town Right Of Way. The Town of Easton will no longer require third party testing. The Town of Easton will not charge an additional fee for the Town Inspector.

The Contractor responsible for the concrete work must contact the Town Engineering office at 410-820-8822 at least 48 hours prior to beginning work.

In addition, the Engineer Certification Form has been modified. The Town of Easton will no longer require an Engineer to certify concrete construction.

Please contact me if you have any questions. Thank you.
