- **Criminal Summons:** On 09/10/15, officers served a Talbot County District Court criminal summons on Gary Lee Moore, a 67-year-old from Easton. The summons charges Moore with one count of harassment: a course of conduct. The incidents have been occurring from March through September. Charging documents state that Moore has been having an ongoing dispute with his neighbor, Joanne Silver-Starta over noise, dogs and other disagreements about the time his construction crew starts and stops work near her house.
