# **PRESS RELEASE**

---

**September 25, 2015**

**Vehicle Break-ins/Theft:** On September 24, 2015, two arrest warrants were served on Sean Daniel Johnson, 26, of Washington, DC. Johnson was charged with multiple counts of Theft, Credit Card Theft, Fraud and Theft Scheme, involving multiple victims over several months. Johnson is being held on \$20,000.00 bond at the Montgomery County Department of Corrections.

Investigation revealed that between December 23, 2014 and March 12, 2015, Johnson would come to the Easton area and identify locations where numerous cars would be parked. Johnson would target vehicles that had purses, wallets and electronics in plain view. Johnson would make entry into these vehicles, which were also unlocked and would then remove debit and credit cards from inside the wallets and purses. Johnson would then use the stolen debit and credit cards to purchase gaming stations.

The Easton Police Department wants to remind citizens to lock their vehicle doors and not leave any valuables in plain sight.
