

Town of Easton

JULY 2015

TAX BILL INSERT

SEMI-ANNUAL REAL PROPERTY TAX PAYMENT OPTION (AVAILABLE TO OWNER OCCUPIED RESIDENTIAL REAL ESTATE CUSTOMERS)

A homeowner may elect to pay real property taxes owed the Town on his/her principal residence at one time or in two installments. A principal residence is the dwelling occupied by the homeowner for more than 6 months of the year. The first installment is payable July 1 and must be paid by September 30. The second installment is payable by December 31 and is delinquent January 1.

Pursuant to state law, if your property taxes are paid by a mortgage company from an escrow account, they are automatically paid using the semiannual payment option unless you direct the mortgage company to do otherwise. If you prefer to have your taxes paid in one installment, your request must be received by your mortgage company at least 60 days prior to the beginning of the tax year, which is July 1.

Tax bills are mailed to the homeowner only, therefore, it is the homeowner's responsibility to forward tax bills to a mortgage company for payment.

The first semiannual payment must be received by September 30th. If paid by July 31st, a 1% discount is available. If paid by August 31st, a .5% discount applies. This discount applies to a full payment if the account is paid in full before the deadline, or to the first semiannual payment if that option is selected. No discount will be allowed on a second semiannual payment.

Call 410-822-2525 if you have any questions.
